Lumisky est une marque de la société BATIMEX, spécialisée dans les luminaires d'ambiance, pour l'intérieur et l'extérieur qui vous permettront d'illuminer vos espaces et de créer ainsi des atmosphères de rêve. Historiquement fabriqués en Chine, nous développons notre production en Europe depuis 2015. Nous sommes fiers de pouvoir donner cette dimension 'Made in EU' à la majorité de nos produits.

BATIMEX a une réelle démarche d'innovation et de recherche : développement de nouveaux produits tendance, gamme d'objets connectés qui fonctionnent par Bluetooth, mais aussi travail en relation avec des designers expérimentés.

Depuis juillet 2017, BATIMEX est basée à Aubagne (bureaux + entrepôt) permettant plus que jamais de recentrer "Le client, au coeur de nos préoccupations".

Lumisky is a BATIMEX's brand, specialized in ambient lighting, for indoor and outdoor use. Historically manufactured in China, we have been developing our production in Europe since 2015. We are proud to be able to say 'Made in EU' for more and more products every year.
